

Level 9: The Owners Council is a dynamic community of like-minded Business Owners on the voyage to develop and grow their businesses to achieve the lifestyle they desire, and give back to the community as well.

Our purpose is to Promote, Inform and Celebrate our member Business Owners (businesses that have employees and produce \$500k to \$50M annually). We want to help members grow their businesses to the next level and above (see reverse for 9 Levels of Business), through unique promotion, individualized training, peer groups, online group learning and social activities.

Level 9: The Owners Council is not a sales or networking organization, but a mutually beneficial, collegial association of Business Owners who are serious about business and life success.
